

have not understood GOD at all. This is only possible with your heart. GOD does not speak into your mind, He speaks into your heart and then you can make something of it with your mind. You may fantasise about GOD, how great and powerful He is. Even if you pictured Him with the liveliest imagination, this picture would only be one thousand trillionth part of an ant's kneecap of what GOD really is like. You will all be surprised when you arrive in Heaven. And yet there are still people who believe they could decide on GOD: „GOD is like this and that is how it is ...“ My beloved, that is humbug. That is exactly what Holy Scripture means by: „You shall not make for yourself an image of GOD.“ And yet today it is quite usual that almost everyone makes their own image of GOD. People are often heard to say: „Only through JESUS to GOD!“ Again this is “making a false image of GOD.” – In Heaven we all are one family. GOD makes those up Above extremely happy by allowing them to pray for us with Him, all the more so with His Mother and His Foster and Nursing Father Joseph. Amen!

Guidance through Your Guardian Angel False Image of GOD

My beloved! Who is like GOD? Any of you? Any human being? And yet there was one – at that time the greatest one apart from GOD, a mighty leader of Angels, Lucifer was his name – who thought he was like GOD. GOD had withdrawn Himself to test the Angels because Heaven is not for free; actually, only those who love GOD will receive it. When you die, if you are saved, but were unable to love yet, you will learn to, before you enter Heaven, because GOD is love. Nothing will enter Heaven that has only one thousand trillionth part of the tiniest thing about it, which does not love GOD, because GOD is so supremely powerful!

„Who Are You, GOD?“

A person asked: „Who are You, GOD?“ And GOD answered: „I am!“ Nothing else. Then this person asked: „But who is ‘I am’?“ And GOD answered: „I am love. I am peace. I am grace. I am joy. I am strength. I am security. I am protection. I am power. I am the Creator. I am the comforter. I am the beginning and the end, the Alpha and the Omega. I am the way, the truth, and the life. I am the light.“ And with tears in his eyes this person looked up to Heaven and said: „Now I understand You. But who then am I?“ Then GOD very tenderly wiped away this person's tears whispering: „You are Mine!“ – Is there anything more wonderful?

Let Yourself Be Guided by Your Guardian Angel

If the Angels could speak – of course they can, but people generally are not prepared to listen to them any more – they would say: „Have faith and let yourselves be guided by us, you dear ones, for that is our speciality. Allow us to experience our greatest joy and calling to serve you!“ When was the last time you thought of your Guardian Angel? And he of you? Without a millisecond pause, just as GOD’s eye watches over you all the time, so much does the Guardian Angel watch over his protégé. He is always present, always! You can give him the greatest pleasure by making GOD happy. It stands to reason that you ought to also talk to him, because he is always beside you.

If at all, you should never start a religious activity, a prayer or a contemplation, without asking your Guardian Angel to join you in it. The whole atmosphere nowadays is so contaminated by the Evil One that many want to pray well, but do not manage to. You can be assured that your Angel’s thoughts do not wander off from prayer, and he makes up for anything you lack if you build up a good relationship with him or already have. Only very few people can pray without their mind wandering. Nowadays, only those can do so to whom GOD says: „I will it!“ And their Angel helps them with it.

Do We Want to Please Ourselves or GOD?

Today you could truly say: „If you want to serve the LORD, then brace yourself for trials. Be brave and strong at the time of trial, do not rush into things, cling to the LORD and do not stray that you may be raised in the end. Accept everything that may come over you. Hold out in multiple difficulties, gold is tested in fire after all. And everyone who is pleasing to GOD, will go into the smelting furnace of distress.“ Nowadays you can no longer just sweet talk people: „Everything is perfect, that will do ...“ We are in the middle of a battle, in which we have to make a decision: Do we want to please ourselves or do we wish to please GOD? That is the question. Even the greatest Saint cannot do much about what is going on in the world today, but St

Michael the Archangel can. After all, he is the Commander-in-Chief of the heavenly Hosts, of GOD’s army, the highest in rank!

No Intercessors in Heaven?

Many say: „Only JESUS CHRIST!“ They accept no intercessors, no Mother of GOD, no St Joseph, no Archangel Michael, no holy Angels. Now tell me, is GOD such a tyrant that the citizens of Heaven have to sit still and be quiet? They were indeed allowed to see everything, but without saying anything? For example, they were not allowed to say to GOD: „May I intercede for this or that person, for my family on earth who do foolish things ...?“ Do you think that the citizens of Heaven are obliged to be silent and are not allowed to bring these requests before GOD? Then they would be in prison, as it were. No, in Heaven there is bliss. At long last, people speak to GOD very personally, though at the same time worshipping Him by saying “Holy! Holy! Holy!“ Oh, I cannot explain it to you, there are simply no words for it on earth. Even if there were words to describe how it is in Heaven, there would be no room for it in our heads, these tiny marbles, they would burst into a million pieces, because it is so awe-inspiring!

Do Not Make a False Image of GOD

Holy Scripture says: „You shall not make for yourself an image (carved image) of GOD.“ That is a mistranslation and is misunderstood. It is precisely those who scold others for making for themselves an image of GOD by depicting the SAVIOUR on the Cross and venerating Him, who are the ones who make for themselves a false image of GOD. It would be good if they realised it while still being on earth, so that they need not afterwards have to say full of remorse looking up to Heaven: „My GOD, now those whom we laughed at are so glorified and we are burning down here – look how they are now loved by GOD.“ That is what Holy Scripture says, well, the gist of it.

I want to win you over for GOD. Why do people always make for themselves such false images of GOD? Here I have to pull myself together! I have known Him from childhood and I can say that people
